Beacon Development Zone extends the highly successful Beacon Business Park by a further 50 acres.

Planning has been granted on the extension for employment use.

On the main road frontage site to the A518, a new major junction is currently under construction providing improved communications in this key growth area of Stafford.

These key roadside plots (with the front plot already under offer to Marston's for a new Public House) offer the opportunity for roadside based users in a range of plot sizes from 0.3 acres upwards.

Subject to planning consent from Stafford Borough Council, uses include:

- Retail
- Restaurant
- Hotel
- Nursery
- Medical and healthcare
- Self-storage
- Trade park use
- Garage showroom.

Occupational terms

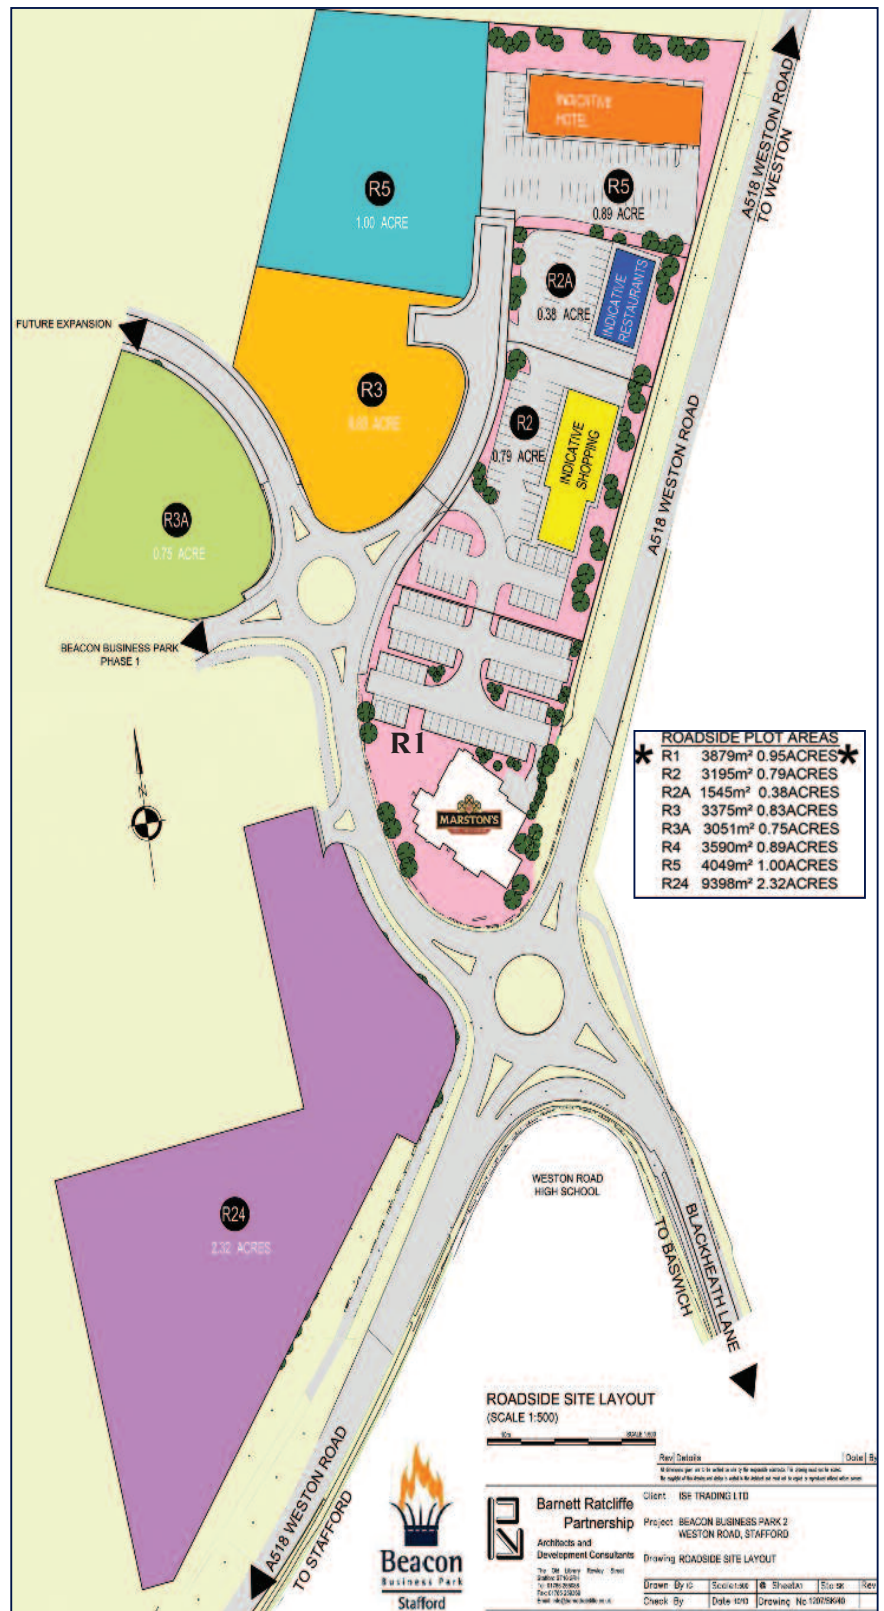

The plots are either for sale or to lease. Design and Build is available to provide individual units by way of 15 to 25 year terms from 2,000 sq ft to 40,000 sq ft.

Rent / price

Rent and prices payable at Beacon Business Park are dependent upon the general lease or purchase terms agreed.

VAT

The rent and purchase price payable are both subject to VAT in addition.

Local economic activity

The A 518 is the main route out of Stafford to the north. There are a number of major employers in this area which are under-served with regard to leisure and retail facilities.

These include:

- MOD
- Staffordshire University
- Staffordshire Police HQ
- Staffordshire Hospital & nursing school
- Technology Park
- Weston Road High School.

Beacon Business Park and Beacon Development Zone are situated in the heart of a number of key economic developments to the North of Stafford.

MoD relocation

3,000 new homes

350 homes are to be built on nearby MOD land to accommodate troops returning from Germany.

A further 2,600 new homes are planned to the north of Stafford, within easy access of the Beacon Development Zone.
